

FINAL EXAMINATION SCHEDULE

Fall Quarter

Final examination times for all day and evening lecture classes are shown on this chart. Please note that these schedules do not apply to activity or laboratory classes.

When a student finds that two or three of his/her examinations coincide or occur on the same day, a student may wish to arrange with the professor of one of the courses to schedule a mutually convenient time for the final examination, or including the mid-term examination. The instructor(s) retain the authority to permit the change of time for the examination. **Finals for classes not covered by the information on this page may be scheduled by reserving a room through the Office of Undergraduate Studies.**
